THE CATERHAM SUPER 7 PARTS MANUAL

Caterham Cars has been associated with Lotus Cars and the Seven, from 1959 as Lotus 7 distributors. The company became the sole distributor for the Seven in 1967 and in 1973 bought the exclusive production rights from Colin Chapman, founder of Lotus Cars. Since its inception, the Seven has been subject of continuous development and improvement. It is a car with timeless, classic appeal, yet technically it is a match for cars designed today. In terms of performance and handling it still provides the standards by which other cars are judged.

This manual has been prepared in order to help customers around the world, to obtain the correct parts for their Caterham Super Seven, and to make ownership of a Seven a pleasure never to be forgotten. The manual covers all post 1973 Caterham Sevens, a separate manual, Book 03, covers pre 1973 Lotus Sevens.

The Parts Catalogue is for ordering parts in general demand, please enquire for any sundry items e.g. nuts and bolts that you may require.

Should you require a written priced quotation please contact the parts department who will issue a proforma invoice.

Upon receipt of an order over £50 in value on the order form at the rear of this manual your £3 spent purchasing this manual will be refunded!

HOW TO ORDER PARTS

The Parts Department is located at the factory (see map on back page), the full postal address is:

UNIT 2
KENNET ROAD
DARTFORD
KENT
DA1 4QN

TELEPHONE: (Overseas) 44-322-559122 FAX: 44-322-524278
(U.K.) 0322-559122 FAX: 0322-524278

Should you need to contact the factory other than to order parts please contact 0322-559124.

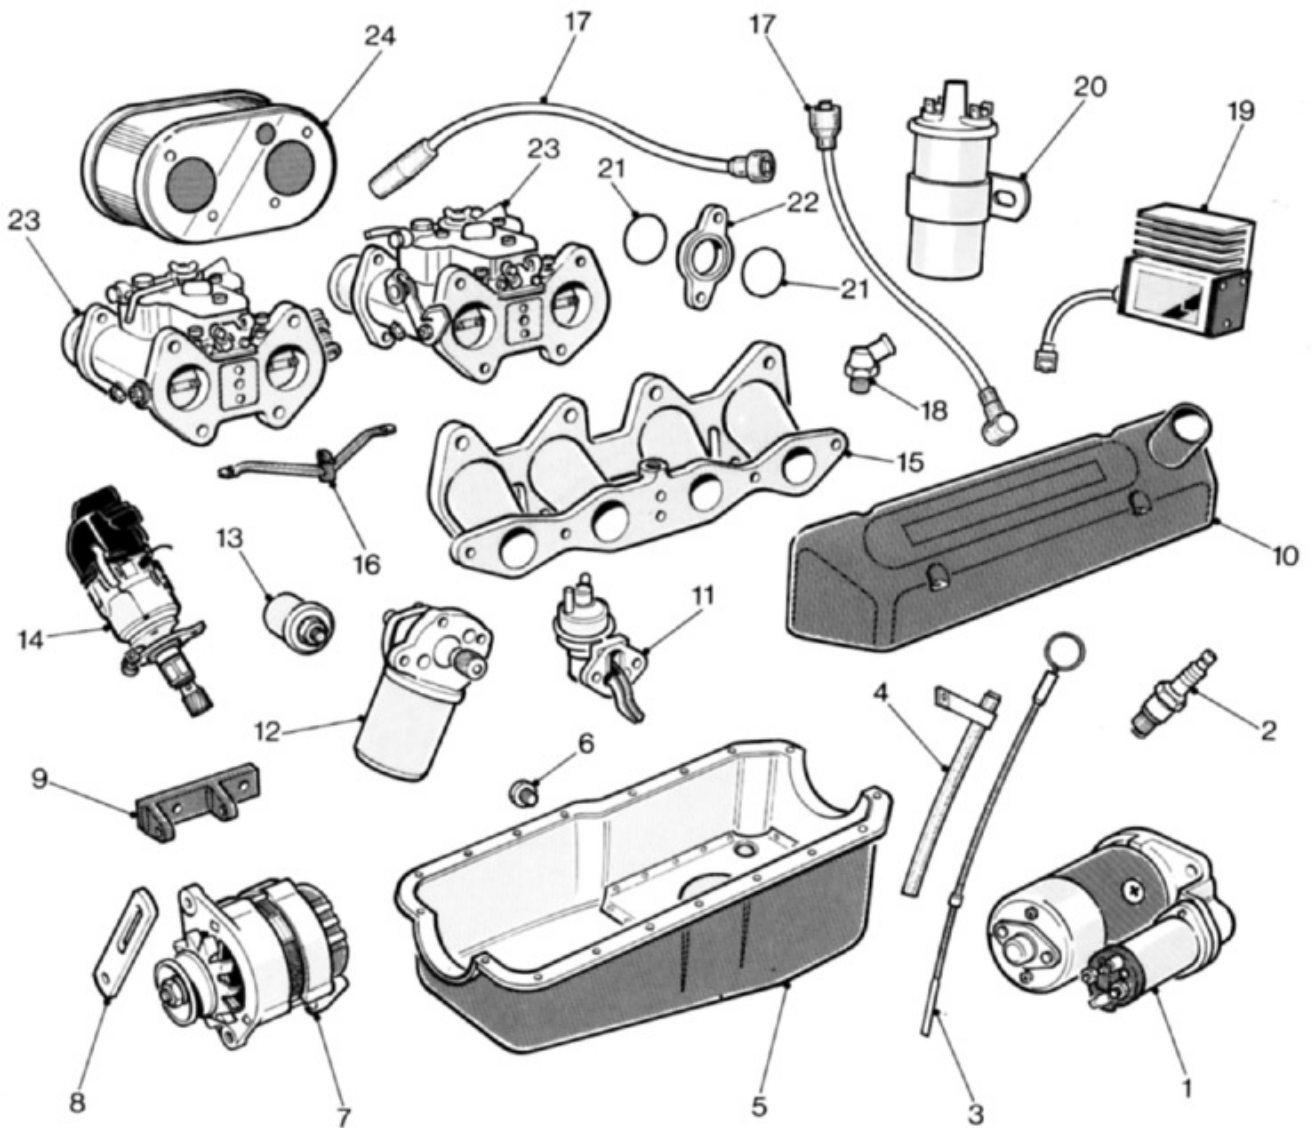

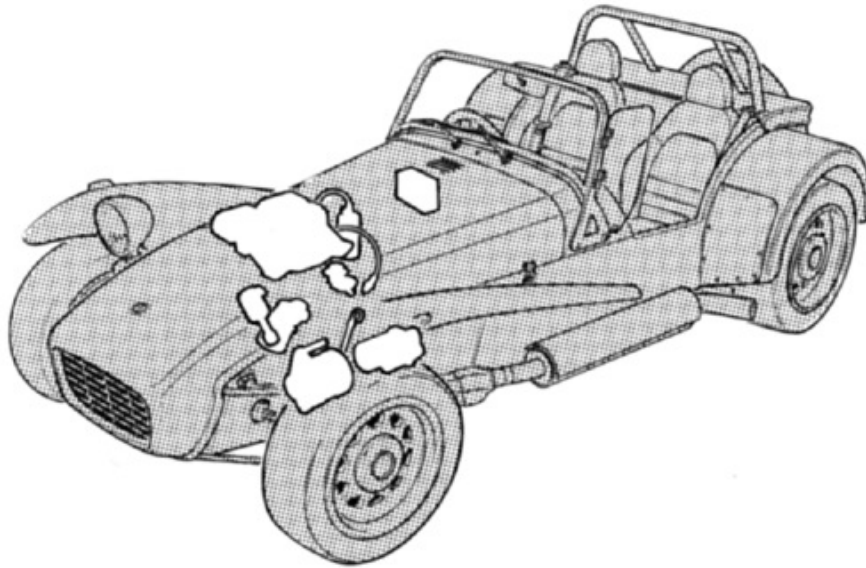

We are able to accept orders by telephone, fax or post. Payment can be made by Cash, Personal Cheque (up to limit of bankers card), Bank Draft, Building Society Cheque, Access or Visa.

Opening hours are:-

9.00 a.m. - 5.00 p.m. Monday-Friday
9.00 a.m. - 12.00 a.m. Saturdays

Super Seven Racing

Super Seven racing is one of the most exciting formulae in motorsport with the cars being divided into two series.

The first is for the powerful Vauxhall cars which are now established as the premier one-make sports car challenge in the UK. Stripped down to their bare essentials but with safety equipment added, the Vauxhall series is also one of the fastest in the UK.

The second series is for road-going cars and features two classes. All cars must have a current MoT, road tax and road insurance.

Class A

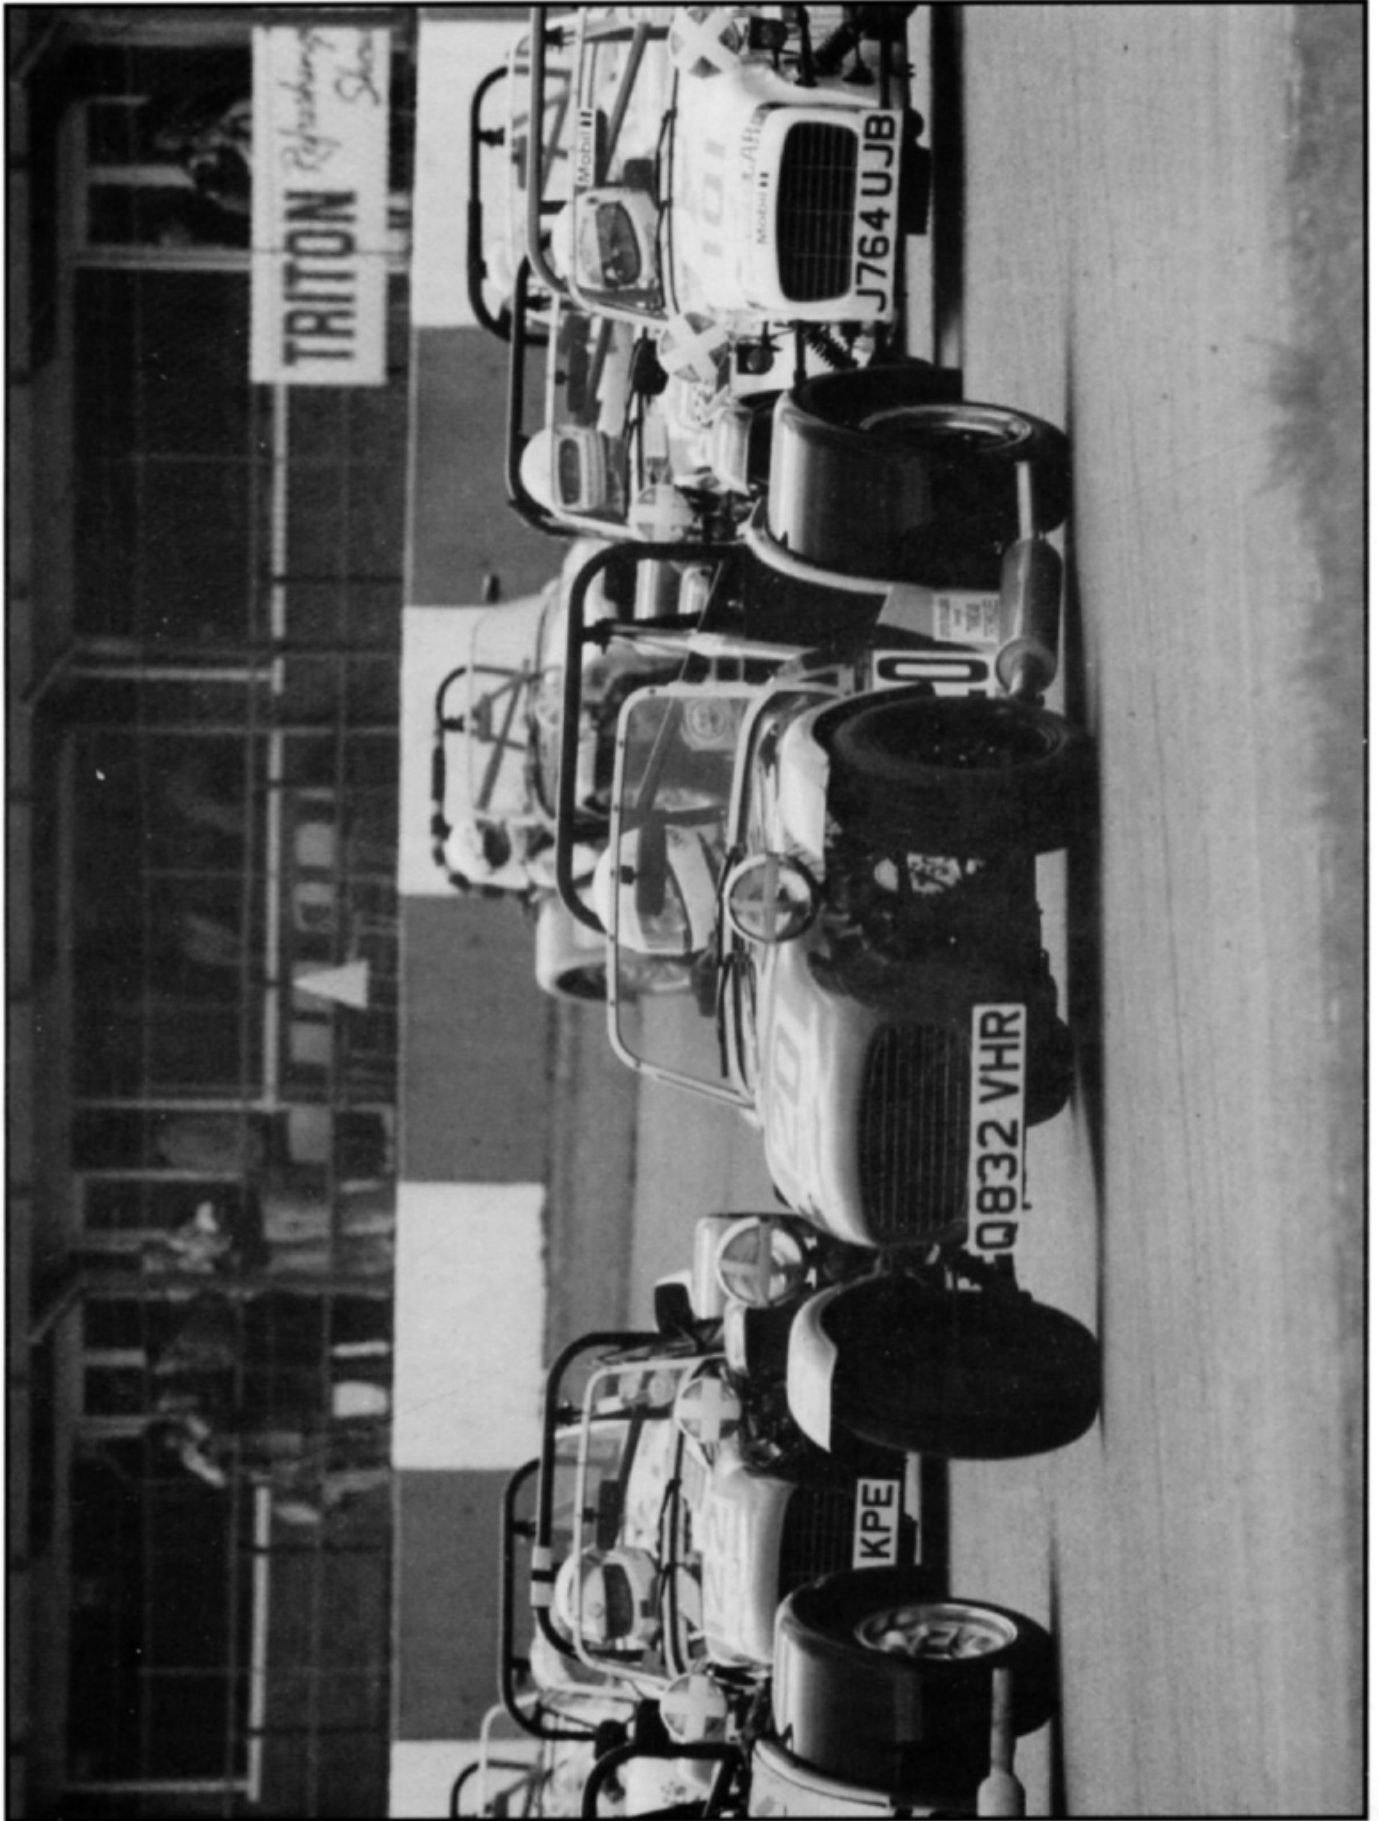

This is for Sevens with engine in the power range 125-155bhp and a typical 1700 Super Sprint could be competitively run in this class with little additional expenditure.

Class B

This is for Sevens producing around 120bhp and for the first time in 1992 will include the Caterham Seven K-Series engined cars. This is the most economical class to compete in and is ideal as a starting point in Motorsport.

The Super Seven has been successful in all areas of motor sport - circuit racing, hill climbing, sprinting and autotesting. Caterham Cars will be most happy to discuss your competing requirements and to assist in providing the most suitable package for your competition needs.

LOTUS SEVEN OWNERS CLUB

An Enthusiastic and active club created for all owners of Lotus and Caterham Super Sevens.

The Lotus Seven Owners Club was established approximately ten years ago in order to provide an official, recognized organisation to the many Lotus Seven and Caterham Super Seven owners around the world.

Managed by Seven owners themselves, the Club offers the following benefits to it's exclusive membership:

A regular, informative newsletter with news, reviews and features on all aspects of building, owning and driving your Seven.

Promotion of over twenty local area meetings, bringing together like-minded individuals for a regular informal exchange of ideas and advice.

Annual national and international events at prestigious locations, offering entertainment and competition for members from throughout the UK and Europe.

A comprehensive range of top quality club regalia.

Up-to-date information on the latest product developments at Caterham Cars.

For an annual membership of just £15 (UK) or £20 (Overseas) you can enjoy all these benefits and more, from a club dedicated to the legendary Lotus and Caterham Super Seven.

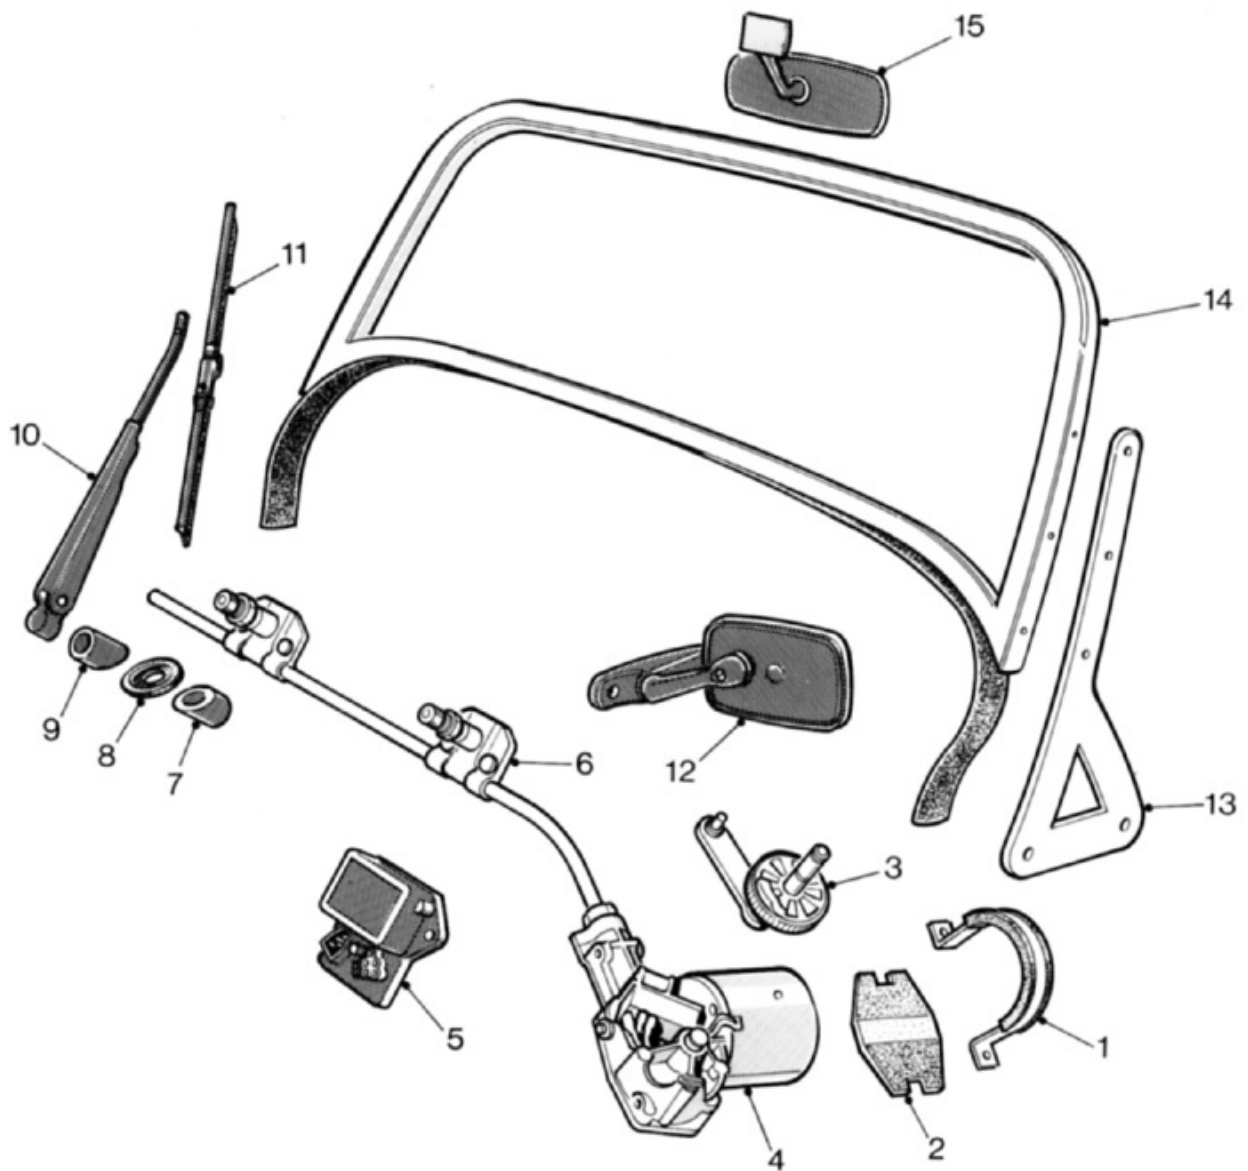

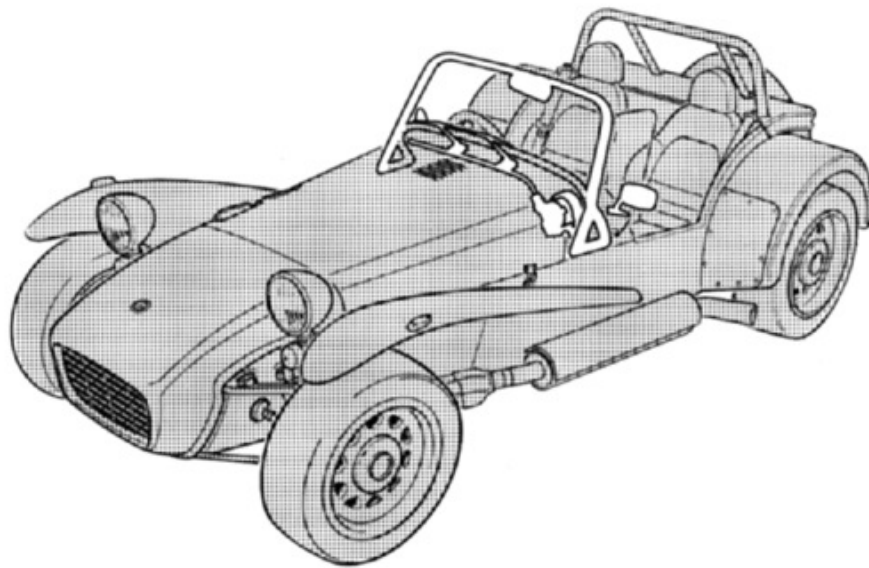

For an application form please write to Julie Richens, the Membership Secretary at the following address:

LOTUS SEVEN OWNERS CLUB
